

↳ Giancarlo Spotti new CEO of Marcegaglia Buildtech

Marcegaglia: Giancarlo Spotti, for many years general manager of Marcegaglia Stainless Steel Division, has been appointed CEO of Marcegaglia Buildtech. The Stainless Steel Division will be now managed by Egidio Bini. Gazoldo degli Ippoliti (Italy), Jan 2012. Giancarlo Spotti, for many years general manager of Marcegaglia Stainless Steel Division, has been appointed CEO of Marcegaglia Buildtech, the group of companies operating in the building and construction sector with a wide range of products including construction equipment, road safety barriers, insulated panels, automated storage systems and photovoltaic systems. The Stainless Steel Division will be now managed by Egidio Bini, long-time collaborator of Mr. Spotti, who will operate with his staff on domestic and international markets for stainless steel welded tubes, cold drawn bars and flat products.
